

KINDERGARTEN NEWS AT OLOA

WELCOME TO OUR LADY OF THE ANNUNCIATION JK/SK EAGLES

My name is Mrs. Bernik, I have been teaching for a number of years throughout Windsor-Essex. I cannot wait to start another school year in kindergarten at OLOA. In my classroom, students will be provided with an inviting and supportive environment that encourages curiosity and promotes exploration. The kindergarten program uses a balance of play-based inquiry learning and direct teaching to provide a variety of learning opportunities, strategically designed to reach every individual child's needs. STEM is introduced in JK through a play-based approach. My goal is to create a strong foundation of enriched learning and foster a love of school for years to come. I'm excited to have your child join my kindergarten family and I am looking forward to a fun-filled journey of learning, discoveries, and opportunities.

Kindergarten registration runs from Tuesday, February 21st to Friday, March 3rd. Families can register online beginning February 1st through the Board website at: www.wecdsb.on.ca/schools/register/kindergarten or call the school office at 519-798-3117 with any questions.

The JK OPEN HOUSE is on Thursday, February 23rd at Our Lady of the Annunciation.

SCHOOL LIFE

Kindergarten to Grade Eight ... let's chat!

Our Lady of the Annunciation (OLOA)

Our Lady of the Annunciation is located in the quaint town of Stoney Point, Ontario and is home to just over 100 students.

Because of its size, OLOA students thrive in all aspects of school life: academically, spiritually, physically, and emotionally. Our staff is committed to provide best practices in the classroom through effective teaching strategies and up-to-date technology. Furthermore, the school is proud to offer a wide variety of extra-curricular activities to meet the interests of all our students: athletics, chess, dance, drama club, just to name a few.

Our parent council actively supports all school programs. Council also provides books for the classrooms, music instruments, subsidizes class field trips and workshops, school lunch celebrations, and outfits our teams with uniforms. Each student is issued their own Chromebook at OLOA.

As a community of learners, we strive for excellence, unlocking the full potential of each child, leading to their development into confident and independent learners who value and live their faith.

Our small population of students facilitates greater individual attention and opportunities for students to grow. We at OLOA are sincere in our approach and embrace the family atmosphere which we have created. **We know each child in the nest. It's a small school with big opportunities.**

Kindergarten registration runs from Tuesday, February 21st to Friday, March 3rd. Families can register online beginning February 1st through the Board website at: www.wecdsb.on.ca/schools/register/kindergarten or call the school office at 519-798-3117 with any questions.
